## Theta Welcomes House Director Applications

Those of you without family members at home who find yourselves at loose ends, consider getting back into the main stream where life is really full to overflowing and every day is bursting with activity and love. Be a Theta housemother!

What a wonderful opportunity to renew your outlook on life, to learn from the stimulating young adults around you, just as they will learn from you. You have much to offer these young women, using skills you have already developed through your years as a homemaker and an active woman in your community.

Housemothers live in pleasant surroundings with compensation. Responsibilities vary depending on the size of the Theta chapter, but generally speaking, you would be managing a home—just larger than usual. You can count on support from Theta alumnae serving on the advisory and house corporation boards. These women will be your friends and partners in mutual chapter interests.

College campuses abound with activity and vitality, and provide opportunities for cultural enrichment. It is where young adults grow into leaders and achievers, and a housemother plays an important role in the growth and development of Theta collegians.

Several housemothers were asked why they enjoy their jobs, what being a housemother means to them. Betty Dawson, housemother at Indiana wrote, "To touch, to be a part of or to assist a young life toward its destiny is a reason for being . . . it's the natural order of living . . . it's always being a part of the future"; and from Gertrude Schenck, Kappa chapter housemother, "It's great living in a university town . . . to take advantage of the sporting events, the cultural events and the general cosmopolitan atmosphere. I enjoy being a sounding board for the girls, it makes me feel like family. I like being called 'Mom.' I am privileged to meet the very best of young people. My attitude toward this age group is very positive. Being a 'House Mom' keeps my mind informed and my body active. What more could you ask for as you grow older? And most rewarding to me are my friendships with girls who are special!"

It's a challenge, yes, and an exciting way of life. Think about it. We need you and all that you have to offer. For further information contact Mrs. Robert Supple, 7203 Lakeside Dr., Indianapolis, IN 46278.

*Going for quota at the University of Florida*

# *Going for QUOTA*

Quota is the magic word that means success in rush, as well as a commitment to a Panhellenic plan to pledge the highest percentage of registered rushees.

Quota is a partnership undertaking. It's the joint venture among the 26 National Panhellenic Conference members to accommodate within the Greek system, the maximum number of young women who have indicated a desire to belong to a sorority.

The Quota System guarantees no specific choices for rushees, but it makes it numerically possible to pledge the number of rushees going out for rush.

Quota is a number, the figure arrived at by dividing the number of sororities on a campus into the number of rushees.

Quota is an equalizing factor. It limits the size of a pledge class, but not the size of a chapter.

Quota, set by Panhellenic is the goal for each Theta chapter, and achieving quota now has never been more important as higher education heads into a period of declining enrollment.

*Gertrude Gopher says, "Quota, gopher it!"*

## Going for QUOTA

It's more than a slogan, more than a goal, *Quota* is the result of an all out chapter effort, reinforced by a recommendations system which keeps the chapter alert to rushees planning to enrol at their school. Only a totally involved chapter can expect to reach quota. Active town chairmen can help develop good geographic distribution of chapter membership. Musical and artistic skills are greatly in demand during rush. Conversational skills more than anything else build firm bridges between rushees and members. Rush has become a sophisticated undertaking, but the outcome is predictable. Quota is not an end in itself. It's only the beginning of a new page in every chapter's history.

Rush skits are still the main entertainment "fare." They are part of the plan to make each rushee's visit a memorable occasion. Although skits lost some appeal during the sixties, they are back stronger than ever. Skits "break the ice," promote a relaxed atmosphere and delight chapter members as much as rushees. Music, costumes and background props represent a considerable investment in time and money. Prerush week on most campuses is marked with a frenzy of rehearsing and set construction, as chapters take aim on quota.

## Thetas busting out all over at Oklahoma State as Beta Zeta makes quota

*It's an emotional time as Oklahoma State Thetas gather on the front lawn to await arrival of new pledges.*

*Happiness is a new Theta pledge pin!*

*Use the form printed below or secure membership recommendation blank from Central Office or your local Rush Recommendation Board.*

## DIRECTIONS FOR USE OF RUSH DIRECTORY

### ALUMNAE:

Write recommendation on yellow recommendation blank (obtained from Central Office or a Rush Recommendation Board) or on the rush form, page 5, with a letter giving full information attached.

1. Send recommendation in late spring or early summer.
2. Fill out form as *completely* as possible.
3. Include a picture of the rushee if available.
4. If the young woman is undecided about going through rush, tell her of the advantages of fraternity membership.

Send recommendation:

1. To the Rush Recommendation Board Chairman who covers rushee's community or high school. (See pages 12-19.)
2. If there is no Rush Recommendation Board Chairman who covers rushee's community or high school, to the college chapter's recommendation chairman or rush adviser. (See pages 6-9.)

### COLLEGE CHAPTERS:

Refer to the 1980-81 Rush Personnel Roster and current supplements.

### RUSH RECOMMENDATION BOARDS:

Send recommendations with the board's evaluation and chairman's signature to the college chapter's recommendation chairman or rush adviser. (See pages 6-9.)

### AUTHORIZED RUSH REPRESENTATIVES:

Send recommendations to the college chapter's recommendation chairman or rush adviser. (See pages 6-9.)

### SEND RECOMMENDATIONS EARLY

Chapters with fall rush — by July 15

Chapters with deferred rush (after Christmas) — by August 15

## Scholarship It's More Than a Grade Point

By Judy Alexander, Director of Scholarship

The scholarship recognition accorded to college chapters each year in the summer issue of this magazine is determined solely on the basis of "tangible" evidence—the chapter grade point average. The fraternity shares in the pride and satisfaction felt by the members of leading scholastic chapters, but also wishes it were possible to incorporate some of the "intangibles" of scholarship in determining this recognition.

Actually, there is no such thing as "chapter scholarship." What we refer to as chapter scholarship is the composite of the *individual* efforts and achievements of each member and pledge.

No one denies the importance of the grade point average. Whether we like it or not, it is the yardstick by which we are measured in the academic community. True scholarship, however, is more than a grade point average. It is a process of intellectual development and growth, and is not confined to the college years. True scholarship is the lifelong process of becoming an educated person.

The college chapter has a responsibility to respect and nurture this development. The chapter scholarship committee should feel an obligation to contribute enrichment for its growth. Whether this is done formally, by inviting a guest speaker for example, or informally by promoting meaningful dinner discussions is immaterial. The fact is, the fraternity environment lends itself ideally to the pursuance of the goal of true scholarship and should consider itself a partner of the college or university in complementing the formal instruction of the classroom.

The chapter scholarship goal should be one that not only encourages an attitude of respect for academic achievement in the classroom, but one that encourages the development of intellectual curiosity, diversity of interests, awareness of world events and appreciation of individual differences. The chapter scholarship program should promote an attitude of encouragement and respect for the total educational development of each member and pledge.

## A Memorial to a Special Theta The Vail Arts Festival at Denison

excerpts from the *Denison*

The Vail Arts Festival, a series of performances featuring outstanding artists in the field of fine arts was an exciting time at Denison University this past October. For Thetas of Beta Tau chapter the festival had a more significant meaning, as it honored the memory of Jeanne Vail, BT, '46, who died in 1949, a victim of Poliomyelitis.

The five nights of the Vail Festival brought to the Denison campus a wide range of artists including Ruby Dee and Ossie Davis in Inside/Out, a dramatic interpretation of the Black experience in America; McLain Family Band; pianist Susan Starr, appearing with the Licking County Symphony Orchestra; "Theatrical Galimatias" a series of five programs representing various talents of the Denison Theatre and Cinema Department and the grand finale featuring world-renowned violinist Izhak Perlman.

The Celebration of the Arts at Denison will be an annual affair made possible by an anonymous \$1 million benefaction in memory of Jeanne Vail, who as a Denison student showed exceptional promise in the arts, and who was also an outstanding student in many other areas. The *Denison* describes the straight A student and Spanish major as a deeply sensitive and artistic spirit. Her many extra-curricular activities at Denison reveal the breadth and depth of her interest. She was elected to Phi Beta

Jeanne Vail, Beta Tau

Kappa her junior year and was one of only five students to receive general honors at her commencement exercises in 1946. Her memory will live in perpetuity through the Vail Arts Program, the first of which is the Festival itself. The second is the appointment of Vail Artist-in-Residence at Denison and the third is the designation of Vail Scholars among Fine Arts majors. All three aspects support a basic Denison philosophy that an understanding and appreciation of the fine arts is an underpinning of a liberal education.

Two members of Beta Tau chapter served on the student committee for the Festival, Jamie Bailey and Sarah Bailey.

## Boise Thetas Gain Chapter Status

Little known to most Boise, Idaho residents, Feb. 2, was a day of excitement and triumph for members of Kappa Alpha Theta. This was the day Boise alumnae were hoping for, the day the Boise Alumnae Club would become a chapter. Alumnae District President, Maryalice Searle and 45 members attended the installation luncheon at the Hillcrest Country Club.

Two years ago, Boise alumnae under the leadership of Barbara Faubion Hemmer, reactivated the Boise Alumnae Club. Since that time a membership surge and stepped up activities have gone hand in hand.

With a wide age range of alumnae, the club has initiated several activities such as a Christmas crafts program and a calligraphy workshop. For local philanthropy they have earned money for a local girl's home in Nampa, Idaho. Besides their Boise activities, they have been helpfully involved with their upstate college chapter, Beta Theta at the University of Idaho. Part

of a successful Auntie Mame program with Beta Theta and Boise alumnae, was a spring tea held in Boise, allowing everyone to meet her Auntie Mame and to exchange ideas.

To add zest to college life for the Beta Thetas, Boise alumnae sent kites for a rousing kite fly and to symbolize hopes and aspirations for an outstanding semester. Finals week, a box of apples appeared, to help with late night studying.

In two years, growth of the recommendations from the Boise area resulted in pledging some outstanding girls from that area.

Last summer the club president, Barbara Hemmer was appointed College District President. "The Boise Alumnae Club has a lot to be proud of," said president, Elaine MacIntire. "We want to show that Theta is truly for a lifetime."

# Nonagenarian Represents Swarthmore Class of 1910

Ellie Simons Bassett

Ellie Simons Bassett was born more than 91 years ago in Swarthmore, PA. She grew up on the 22 acre estate of her parents Mr. and Mrs. Frederick M. Simons, with her six brothers and sisters. The children attended Swarthmore Preparatory School and then enrolled at Swarthmore College where Ellie became a Theta and graduated in the class of 1910. She continues her interest in the College and attended the annual alumni dinner last June 1, an event she always enjoys as evidenced by the picture taken at the dinner, and which appeared in the alumni publication, *The Swarthmorean*. She served on the Alumni Council from 1940-43, and is now the Class Agent, representing the class of 1910.

Alpha Beta chapter was active at Swarthmore from 1891 to 1934. Ellie Simons Bassett remained a loyal and active Theta, and served as District President in the 1930's.

A Round Robin of Thetas of Ellie Simon's years at the College is still making its rounds to the five members living besides Ellie. Kathryn Bassett, Ellie's daughter and permanent alumnae secretary of Alpha Beta recalls that the Round Robin went up the East Coast from Philadelphia to Long Island, Boston, Maine, then to Pittsburgh, Duluth and to Los Angeles and back to the Swarthmore area. It showed up four times a year, filled with the latest news, birth announcements, a running account of each one's children and of course news clippings and pictures. Alumni Days at Swarthmore brought most of these people back, but there were also Round Robin reunions, especially in the later years of the five remaining letter writers. Two are in nursing homes and Kathryn Bassett says they do not know where the Round Robin is now but are looking for it to surface sometime soon. The loyal five includes Dorothea Carter Davis, Florence Smedly Vernon, Teresa Barclay Willits, Ethel Albertson Post.

## New Club in Wisconsin

The area between Madison and Milwaukee, WI is now represented by a Theta Alumnae Club, thanks to a happenstance and two motivated alumnae.

Pat Martin Murphy, Gauma, Butler and Gwen Turner Young, Gamma deuteron, Ohio Wesleyan, had worked on several school committees together, not realizing that they were both Thetas. Then Gwen noticed Pat's name in the Milwaukee Theta Alumnae directory. They attended Founders' Day together and began wondering how many other Thetas were in their area. Later when Gwen was working as the area Authorized Rush Representative, she became aware of a Theta population of about 50 in the six small towns just far enough away from Milwaukee, not to be part of the suburbs.

After talking with Anne Budill, ADP Dist. II they decided to get a group of Thetas together for lunch. This was the nucleus of 15 charter members that began the Lake Country Alumnae Club, May 2, 1979. They have held their first Founders' Day with 20 Thetas attending.

The new club's first project was a Greek information meeting for the college-bound girls in the area. Other sororities participated in the Theta sponsored get-together. Being the only organized Greek group in the area the Lake Country Club has taken the leadership in promoting the Greek system.

**Of the year**

Jane Klewin, Psi, the 1979 Hanna Fitch Shaw Scholar has been chosen Greek Woman of the Year at the University of Wisconsin. Based on sorority achievement and scholastic record, this is the most prestigious award the Greek community gives.

A Political Science major, Jane hopes to attend law school next year. For Psi chapter she was president and fraternity education chairman. She is a member of Mortar Board and Phi Kappa Phi, as well as Crucible, the junior women's honor society and Sigma Epsilon Sigma, sophomore women's honorary.

Jane Klewin was one of five students from the Madison campus chosen to attend the University of Wisconsin's Summer Seminar at the United Nations.

For recreation, Jane is a member of the Hoofer's sailing club.

## BIG-LIL SIS RETREAT AT BIG CANOE LAKE

# Georgia's pledge program hails chapter unity

By Sally Landrum

1979-80 is the Year of the Pledge, and the Gamma Deltas at the University of Georgia added 51 pledges to their chapter of one hundred members. The emphasis of Leadership Conference in Denver last June was *make sure your pledges are well prepared to be responsible members*. That is exactly what Gamma Delta Thetas are doing through a revised and rejuvenated pledge program. It all began when pledge education chairman, Jean Conner; president Bess Page and chapter advisor, Mrs. Joe Rentz returned from Denver full of ideas and ready to get the new pledge program underway.

The main goals of the new plan were 1. An improved Big Sister program which called for more planned activities with members, which in turn helped to emphasize chapter unity instead of pledge class unity. This all-chapter "togetherness" was kept in mind when planning all activities, steering clear of events that tend to isolate the pledge class. 2. Establishment

of an effective feedback/evaluation system for both the pledges and members. This was accomplished by both members and pledges answering evaluation forms approximately every three to four weeks. The feedback was invaluable to the pledge chairman and her committee and proved helpful in smoothing out rough spots. 3. A better program for hold-over pledges through counseling, tutoring, special dinner nights and active interest. 4. Creation of a post-initiation program which will aid the new Thetas in understanding their role as an active member, and the various parts of the initiation ceremony.

The goal of chapter unity was the number one priority and all agreed that chapter unity was developed that is rare in a chapter of over 150.

And so at least one Theta chapter has a new emphasis and a new look. From pledge night forward it was the *chapter* not a division of pledges and members. Fifty-one new responsible members have been added to the fraternity role and inspired leadership and cooperative members made it happen at Georgia.

Helen Gillespie, Alpha Nu

## Retiring PAS honored

The installation of a new alumnae chapter at Missoula, MT, Sept. 27, 1979 was the occasion for another celebration honoring Helen Dale Gillespie, Alpha Nu, on her retirement as permanent alumnae secretary and state chairman.

Helen's service to the fraternity spans 32 years. Her membership began differently and her fraternity involvement has many different facets. She attended the University of Minnesota where she earned degrees in mathematics, German and English. Sororities were not a part of her college life.

Then she married Paul Gillespie, whose friends included several men who had married Thetas. Her friendship with these couples was her first association with Thetas. The Gillespies with their children Dale and Helen moved to Missoula. When Dale was a student at the University there, his mother tutored his fraternity friends in math so that they could pass the officer's test for entering the service during WWII. There were so many in her class, it was moved from her home to a classroom on campus. This led to Helen's teaching math at the University for eight years.

Helen's daughter Helen, attended the University of Montana, became a Theta and was president of Alpha Nu. In 1947 at a special ceremony, Helen Dale Gillespie became an alumna initiate of Kappa Alpha Theta and a member of Alpha Nu chapter.

She immediately helped launch a fund-raising drive for a new Theta house, her personal project being to bake for anyone and everything in Missoula, with orders delivered by Mr. Gillespie on his way to work at a local bank.

Helen Gillespie has served in many ways—financial advisor and chairman of the advisory board of Alpha Nu, active in the Mothers' Club and Alumnae Club, and corporation president and treasurer. She has also instructed Alpha Nu collegians in etiquette.

Her retirement as PAS and State Chairman ends 20 years in those positions alone. Her record keeping has been superb. The University Alumni office often calls her to "find" missing people. A truly remarkable woman.

## Multi-talented marketing major

Kyle Leverett, a senior marketing major at Miami University in Ohio has made her mark on the campus while making a substantial contribution to her chapter, Gamma Upsilon. She is activities chairman, historian and a member of standards committee. Kyle credits her chapter sisters too. "They believe in you and support your aspirations."

A stronger Panhellenic is one of Kyle's goals and she is second vice-president and a member of the Greek Week Committee. She was also publicity chairman for homecoming and a participant in the Center for Community Involvement.

She has taken her marketing major seriously, achieving a 3.6 on a 4.0 scale. A member of Mortar Board; Mu Kappa Tau, marketing honorary and Omicron Delta Kappa, she is also involved in the competition sponsored by Standard Oil to help educate people about free enterprise. Kyle's team of "Students for Free Enterprise" placed eighth in the nation. She has also been vice president of Pi Sigma Epsilon, marketing fraternity and is presently working on a marketing presentation for WAVE television and radio.

## Alabama Thetas Establish Memorial

A memorial scholarship has been established by the Delta Omicron chapter at the University of Alabama in memory of Janice Roberts who died during the summer of 1979.

Susan Morgan was the first recipient of the award. She was chosen by the chapter on the basis of her outstanding sisterhood, which makes her a "Best All Around Theta."

Susan devotes much of her time to chapter projects. She is actively involved in campus and community service, reliable, and always willing to help the cause.

Jan Roberts lived in Nashville and was initiated into Delta Omicron chapter in 1977. She served as recording secretary. The memorial scholarship in her name will be given annually from voluntary contributions to the Janice Roberts Memorial Fund.

Veronica Bunk Gayle of Rockford, IL, has been re-elected to a second term as president of the 10,800 member Beloit College Alumni Association.

"Bunkie" as she is known to her friends and Rockford Thetas, is a commodities trader and president of Market Research.

Also serving on the Beloit Alumni Council is Margery Evanson Orr, Rockford. Both women are Gamma Lambdas.

Lynn Lippstreu, Administrative Vice President for Cal student body.

## Politics at Berkeley: Thetas Fill Two Top Offices

The Berkeley student body, well known for its political fervor, last spring elected two Thetas to the two top student government jobs. At Cal, political ideologies are part of the campus politics in the form of political parties. The two Omega Thetas were in opposing parties.

The *Daily Californian* reported, "President-elect Karen Westmont, led her party, Educational Democracy, in a sweep of four of five executive offices in the ASUC Senate. Common Sense was the only other party to place a member in an executive position, with Lynn Lippstreu grabbing the most votes for Administrative Vice-President." Common Sense is a party based on a platform of student issues at Berkeley including tuition, and the placement of more student representatives on University committees. The party is more concerned with intra-campus communications than with social issues, and represents a large fraternity and sorority

constituency forming a more than one third block in the Senate.

ASUC President, Karen Westmont's involvement in student government through Educational Democracy party is focused on social and moral world issues that she feels Berkeley as an important political forum must face. Her concerns are ERA, Iranian students. American and University investments in South Africa and reorganization of the ASUC store. Her Party feels that as these issues ultimately confront all of us, they should not take a back seat to what she considers less important student affairs.

Omega chapter, champion of diversity in membership has nurtured a climate that has produced campus leaders at the opposite ends of the political spectrum. But Lynn and Karen remain good working partners despite their different views, and have produced a special blend of ideals and practicality in student government.

Nancy Guinto

## Ohio State president in Health information field

By Susan Meeker, Alpha Gamma

Nancy Guinto, president of Alpha Gamma, Ohio State, served as an intern at the National Institutes of Health (NIH) last summer.

A background of leadership experience and educational preparation combined to win praise and commendation from her supervisor, Dr. Doris Merritt, special assistant to the director of NIH. Leadership in her Theta chapter and in campus organizations such as Ohio Staters (service organization), Mortar Board and the Greek honorary Archons commands respect, but she also received the Buckeye Award for Outstanding Leadership, placed on the Dean's list nine consecutive quarters, became a member of Phi Kappa Phi and served as a page in the Ohio House of Representatives.

The National Institutes of Health is composed of fourteen different institutes, bureaus and division and funds about 70% of all the research which is conducted in this country.

Nancy's main task for the summer was to compile, edit and write material for the NIH publication that would be distributed to the entire research community including medical, dental, veterinary and public health schools, as well as investigators around the world. Of this assignment, Dr. Merritt said, "Nancy did a sensational job. She made my summer a lot easier."

Nancy credits her medical communications background for the success of her internship. "Not only did I understand the medical terminology in the information that was submitted by the directors of the different NIH components, but I was able to speak with them on a scientific level about changes that were needed in the text."

## Delta Omega's special member

We have many girls in Delta Omega at Texas A & M whom we consider to be outstanding, but we have one member who deserves special recognition. This member is Cindy Massey.

Cindy is Delta Omega's Courtesy Chairman. She helped bring the chapter to our quota of outstanding pledges by meeting the girls at the parties and taking part in the skit on preference night. Cindy likes tennis and football and is an excellent artist.

In high school Cindy received an award for the outstanding drill team member. She was also a member of the Girls' Service Leagues, the Spanish Club and the Pep Squad.

Now, you may say that these achievements are not unusual. But there is one thing unusual about Cindy. Cindy Massey is deaf.

Since she was four years old, Cindy has lived in a world without sound. But she has not let this stand in her way. Cindy does not consider herself to be handicapped, but rather tries to be independent. She does want others to know that she can't hear and usually succeeds. Cindy is not self-conscious about being deaf. She says she has become more alert by having to read lips, and claims she can study better because she has fewer distractions. And she jokingly tells us that she doesn't have to listen to us if she doesn't want to.

Because she is so special, Delta Omega wishes to recognize Cindy Massey as a friend and loyal sister.

## The Chapter at the Foot of the Mountain

by Karen DeMond, resident counselor at Utah

Delta Lambda chapter sits nestled in the foothills of the Wasatch Front in northern Utah, with the city of Salt Lake at her feet and the mountains all around, rimming the whole valley. On a clear day one can see virtually for miles from her front windows and when the mountains are snow capped, there really is no prettier place on earth.

Delta Lambda is a part of one of the fastest growing universities in the country. With a 25% enrollment increase predicted by 1995, the University of Utah is truly a bustling place. Yet the opportunities for close friendships and a real school spirit are all around.

The chapter house itself is lovely. It is a remodeled private home, as many of the chapter houses are here, and it sits right on the edge of the campus, close enough to almost reach out and touch some of the buildings, and yet the campus is so large that it is a mile (by the short route) to the education building where most of my graduate classes are. Everything in Utah is big and spread out—one city block here is the equivalent of three city blocks anywhere else, and yet this roominess is what gives the city its charm.

The University of Utah has 23,000 students and is mostly commuter oriented. The Greek community is small, but growing. By virtue of its size, this offers the best of both worlds—the advantages of a capital city in a growing state, and yet the small town atmosphere available through the close ties of the Greek system. The big U that flashes on the foothills on the nights we win a game is inspiring. You can see it from almost anywhere on campus and on a clear day there are times you truly forget that you aren't going to school in the Swiss Alps.

Delta Lambda is a small chapter, but growing and making herself known on campus. She has made great strides since last spring, winning the Bed Race during Greek Week last year, and becoming involved with some deaf children who dance on campus, and participating in many aspects of the campus and community.

For myself, being resident counselor of Delta Lambda

has been a unique and rewarding adventure, rich with many things. It has meant feeling like a freshman again at 23, getting lost on the first day of school and having to learn a whole new language—i.e. that the Student Union is called "Union" and the Student Book Store the "Book Store"—very different for a girl from Washington State who called those two places the CUB and the Bookie for four years! It's been learning that "gearing into" something is to become involved in it, not describing how a piece of machinery works, and it's meant living in a totally different place where McDonalds closes at 11 p.m. on a Saturday night. Being an RC has allowed me to meet new and exciting people from all different types of backgrounds and geographic locations, and has made me realize, again, that I have something in common with every one of the special women who live in this chapter. It has made me feel needed in a way that I can never begin to express and has helped me grow in directions I thought I'd long ago finished taking.

Upon my graduation with a Masters in Education in June, I plan to return to my home state of Washington to teach choral music on the secondary level. I can honestly say that I'll be returning a better teacher and a better person for having spent the 1979-80 school year in Utah at a desk instead of in Washington behind a desk. Without the opportunity Kappa Alpha Theta gave me by allowing me to be the RC for Delta Lambda, this would never have been possible.

Through the experience of being an RC, I have had the rare opportunity to re-live my college years once more with a whole new set of sisters and experiences I am richer for having had. It has allowed me also to finally give a little something back to the Fraternity that I took so much from during my undergraduate years. Because of my time at Delta Lambda, the phrase "Theta for a Lifetime" has taken on a new and deeper meaning for me, and I am truly a better Theta for having had this experience.

## Leading the Way at Connecticut

by Regina Elliott

The idea of moving from California to Connecticut for a year was very intriguing to me, yet, I questioned my ability to make such a big move. This was only part of it since I would also be working as a resident counselor and going to school. The position was challenging, the move adventurous, and the experience one that I could not pass up, and soon I was on my way to the University of Connecticut at Storrs to be a resident counselor to a new, re-established Theta chapter.

Starting a new chapter is no easy task. Each chapter program must be set up and developed. Members must be educated about the Fraternity and the Greek system. Chapter officers as well as Advisory Board members must be trained. It is important for officers to know the duties of other officers so that there is an understanding of the division of responsibilities.

My relationship with the chapter has been very good. I think the most important aspect of the resident counselor position is making the chapter members understand that above everything else, I am their friend. Once establishing a bond of sisterhood I found it much easier to accomplish the task of improving and developing the chapter. Each member has something different to offer and it has been important to determine the individual talents and encourage members to use them.

Working with so many enthusiastic women has been a pleasure. Since the chapter is new, the members are eager to learn how to function properly. Often certain chapter programs become difficult to implement since no tradition or precedent has been set. Once a good program is established then the job of implementing it is much easier. During the first part of the school year I concentrated my efforts on working with the cabinet, individual officers, and chapter meetings. Now, during the second semester I am phasing out my heavy involvement to provide the chapter the opportunity to work on its own as it will be doing in the fall. I have worked with the advisory board and chapter officers on an individual basis and continue to act as a resource person with ideas, suggestions and encouragement.

Gamma Zeta has built some strong programs in just the short time that they have been working as a chapter. These include Pledge Education, Social, Alumnae Relations, Scholarship and Panhellenic as well as establishing

Regina Elliott at right, Delta Psi, with a new Gamma Zeta member.

an overall chapter efficiency.

The chapter has a very good sense of fraternity unity, something which stems from the fact that the members have had to work together to build from the beginning. I have seen a group of women develop and form a chapter with direction, goals and a personality of its own, and most importantly a true feeling of sisterhood.

Alumnae support has been excellent. They have an active advisory board and a hard working house corporation. The advisory board members meet with their officers on a regular basis to keep informed on chapter progress and programs. The house corporation has played an important role since the chapter acquired a house at the beginning of the school year. Many Gamma Zeta alumnae made monetary contributions so that the house could be properly furnished. In addition the chapter has a "Slightly Older Sis" program with the Fairfield County Alumnae Club while the Hartford Alumnae Chapter has helped in buying items for the house and contributing money so that an extra member could attend Grand Convention.

Campus attitude about Greeks has improved. The return of more sororities and fraternities to the Connecticut campus looks very promising. At present there are three National Panhellenic sororities and six national men's fraternities. Recently four fraternities and one sorority have colonized here. The Board of Trustees has set aside three university owned houses to be rented to the Greeks for the first time in ten years. U. Conn draws 95% of its 17,000 students from within the state. Various diversified programs in conjunction with a central location make U. Conn a prime choice for higher education for Connecticut residents.

The friendships that I have made this year have been very meaningful ones. This is due in part to the fact that I was able to live in the chapter house. So besides my resident counselor role I have also been the House Director which adds a different light to my position.

I have truly benefited from the experience of resident counselor. I am very proud of the progress that the chapter has made. It has not been easy for them, but I know they will continue to strive for excellence in chapter operations and to build upon their firm foundation of Theta sisterhood.

# Foundation Trustees Say, "Thank You"

The seed for our Kappa Alpha Theta Foundation was officially planted in May 1961, in the State of Illinois. Pansies almost always lean on one another . . . each one tending to support the next. Thus, Kappa Alpha Theta Foundation was sown to enable Thetas to support their scholastic, leadership and philanthropic programs effectively. In appreciation of the contributors to the **Keep Appreciating Theta Fund**, the donors from June 1, 1977 through May 31, 1979 are listed below. Contributors after May 31, 1979 will be published subsequently.

## Scholarships and Fellowships Account for Large Share of Foundation Budget

The fraternity's emphasis on scholastic opportunity is underwritten by the Foundation in its program of scholarships and fellowships. Founders' Scholarships, Graduate Fellowships, Educational Trust Fund grants, and a graduate fellowship comprise the portfolio of educational opportunity. College Thetas are eligible for the four scholarships named for the four founders, and they are also designated recipients in most of the ever-increasing Educational Trust Funds. Graduate scholarships are sought by collegians going directly to graduate study and Thetas returning to school after an absence of some years, to prepare for a career. The biennial Foundation Fellowship is not limited to Thetas. In the years since the award has been given, only in 1978 was a Theta the winner.

*Some pansies are prettier or stronger than others, but it is their grouping together that gives them the look of beauty. Thank you Thetas for giving the Kappa Alpha Theta Foundation the look of beauty.*
